ShowTix4U Thermal Tickets (500 tickets per Bundle)

Thermal tickets for use with the ShowTix4U ticketing system and the Dymo 450 series thermal printers. Tickets are 7 1/2" X 2 1/2" and include a stub. Tickets are perforated, fan-folded, and sit behind the Dymo printer feeding into the back of the unit. Ticket stock bundle is 500 tickets. *Please note this ticket stock is exclusive to the ShowTix4U system and is the only ticket stock compatible with the system.*

\$20.00 per bundle + Shipping

ShowTix4U Ticket Stock Plastic Holder

Only available through ShowTix4U. The ShowTix4U ticket holder holds 500 (1 bundle) of ShowTix4U thermal tickets. It is a plastic holder that sits behind the Dymo printer allowing for tickets to feed into back of unit. This holder is recommended as it helps manage the printer feeding process.

\$15.00 + Shipping

Credit Card Magnetic Swiper

Only available through ShowTix4U. The credit card reader connects to your Box Office computer via the USB port and reads the credit card data. Using the ShowTix4U swiper when the credit card is present allows you to simply Swipe, Print, and Sign. No data entry necessary. This product helps speed up the ticket purchase process.

\$99.00
(USPS Shipping \$10)

ShowTix4U Ticket Check-In Barcode Scanner

Use the ShowTix4U barcode scanners with the Check-In app on your computer or mobile device to effectively and quickly check-in patrons to your event.
